Just in time for the summer, The Scandals bring four new punk rock anthems to your tape deck. The EP was recorded and produced by Pete Steinkopf of The Bouncing Souls in Asbury Park, NJ , and was mastered by Stephen Egerton of The Descendents. The Cassette version of "Trenchknife" includes two exclusive bonus tracks not available anywhere else. "Trenchknife" is also being released on limited edition clear gold vinyl through the bands' own imprint, Gingervitus Records.
